

Creating Video Clips in Kanopy

1. Open [Kanopy](#).
2. Create an account by clicking on Sign Up and follow the steps. If you've already created an account, log in.

3. In your video, find the scene you want to use. For this example, I'm using a scene from the documentary *A Suitable Girl*.
4. Note the start and stop times of the section you want; it may be best to write them down. For this example, the video starts at 8:05 and ends at 10:47. You can see the times by scrolling over the bottom portion of the video.

5. Click Create Clip/Playlist below the video.

A Suitable Girl CC
Matchmaking & Marriage in India
The Marriage Brokers

[+ My List](#) [Share](#) [Create Clip/Playlist](#) [More](#) ★★★★☆

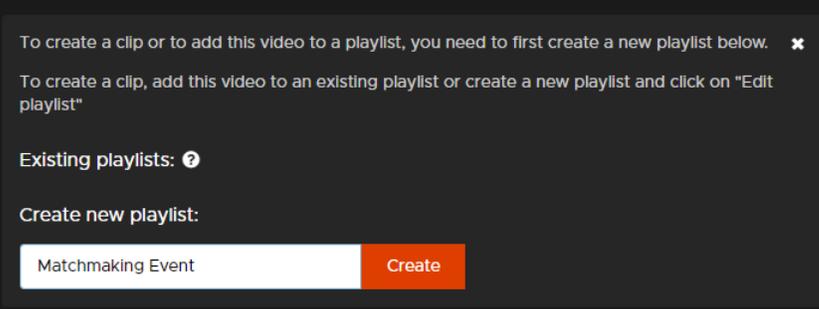

To create a clip or to add this video to a playlist, you need to first create a new playlist. ✕
To create a clip, add this video to an existing playlist or create a new playlist and click on "Edit playlist"

Existing playlists: ⓘ

Create new playlist:

Playlist title... [Create](#)

6. First, you need to create a playlist. Enter a name for the list, then click Create. I'm using the name Matchmaking Event.

To create a clip or to add this video to a playlist, you need to first create a new playlist. ✕

Matchmaking Event [Create](#)

'A SUITABLE GIRL' follows Newscorpus India's journey from wedding to marriage through the traditional Matchmaking

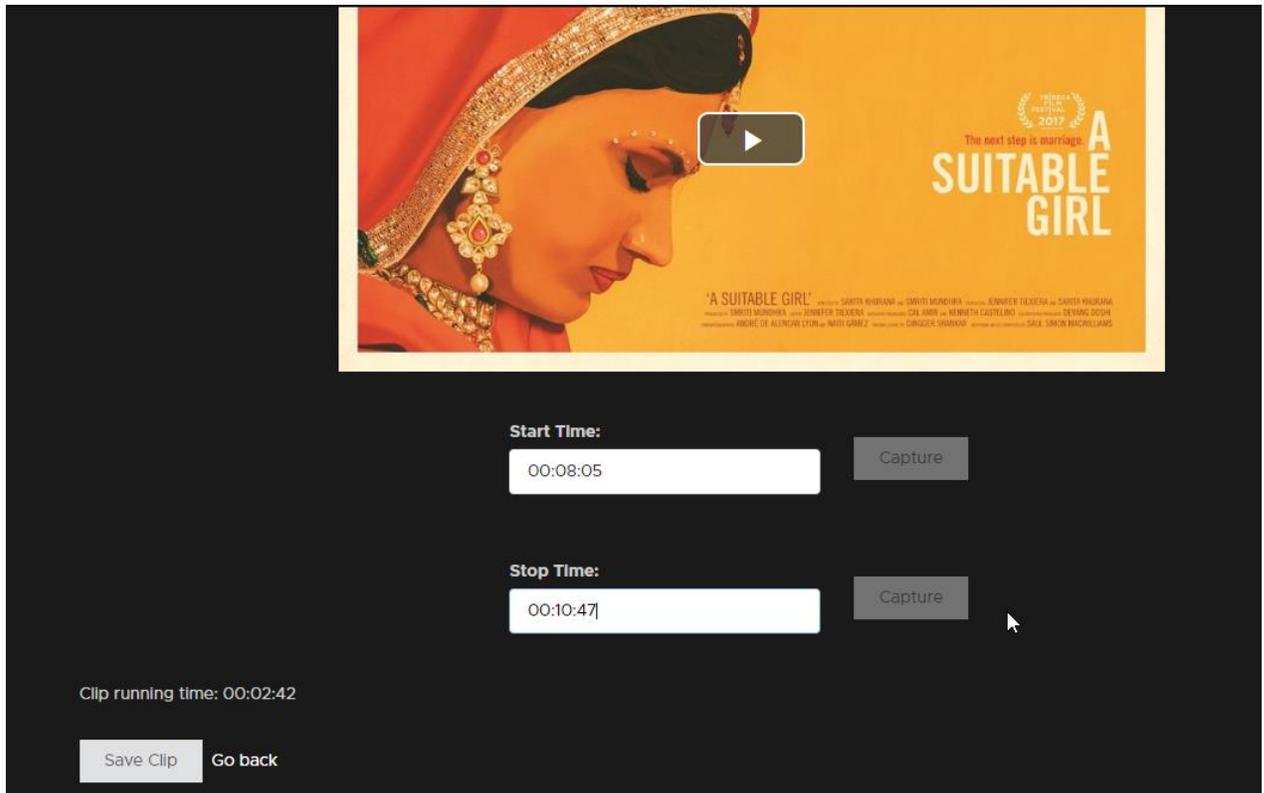

7. Click Edit playlist by the new playlist you created.

8. In the playlist, click Edit to specify the piece of video you want.

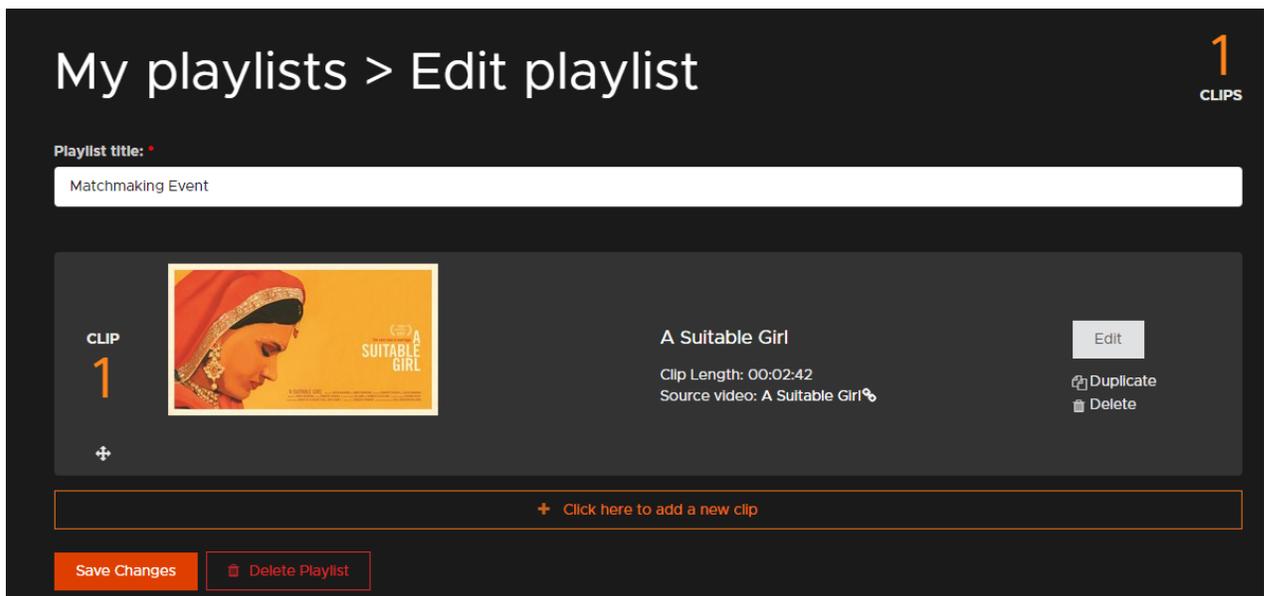

9. In the Edit clip window, enter the start and stop times of your clip, then click Save Clip.

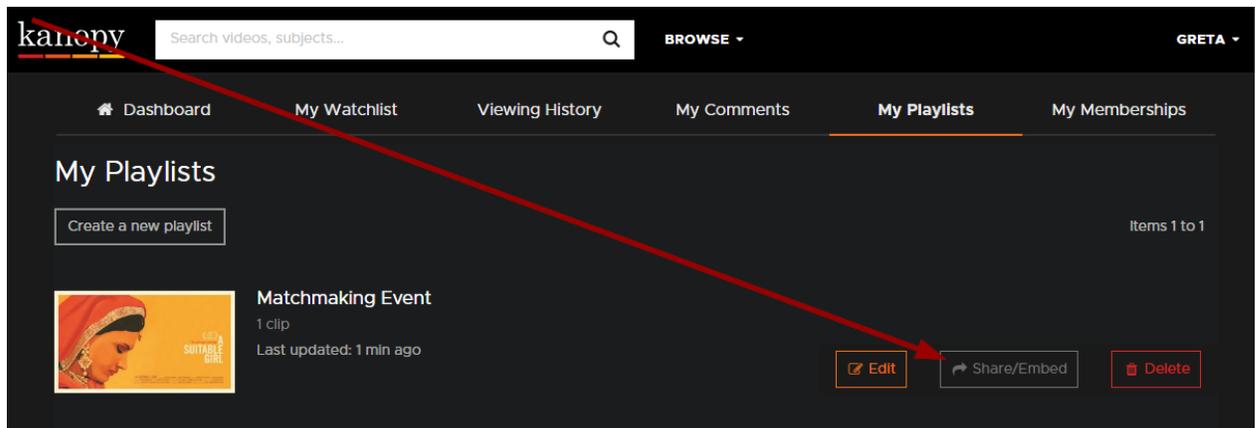

The screenshot shows the 'Edit clip' interface for the video 'A Suitable Girl'. At the top, there is a video player with a play button and a thumbnail image of a woman in a red sari. Below the player, there are two input fields for 'Start Time' and 'Stop Time'. The 'Start Time' field contains '00:08:05' and the 'Stop Time' field contains '00:10:47'. To the right of each input field is a 'Capture' button. At the bottom left, there is a 'Save Clip' button and a 'Go back' button. The text 'Clip running time: 00:02:42' is displayed above the 'Save Clip' button.

10. Click Save Changes on the Edit playlist screen.

The screenshot shows the 'Edit playlist' screen. At the top, the text 'My playlists > Edit playlist' is displayed. In the top right corner, there is a red '1' and the word 'CLIPS'. Below this, there is a 'Playlist title:' label and a text input field containing 'Matchmaking Event'. The main area of the screen is a dark grey background with a list of clips. The first clip is 'A Suitable Girl', which has a thumbnail image of a woman in a red sari. To the left of the thumbnail is a red '1' and the word 'CLIP'. To the right of the thumbnail, the clip title 'A Suitable Girl' is displayed, along with 'Clip Length: 00:02:42' and 'Source video: A Suitable Girl'. To the right of the clip information are three buttons: 'Edit', 'Duplicate', and 'Delete'. At the bottom of the screen, there is a red button labeled 'Save Changes' and a red button labeled 'Delete Playlist'. A red link with a plus sign and the text 'Click here to add a new clip' is located above the 'Save Changes' button.

11. On the My Playlists page, click the Share/Embed button.

12. Copy the link. You can now paste the link into a presentation or Blackboard. If you intend for anyone to view it off campus, be sure to add this prefix to the link:

`http://ezproxy.nwciowa.edu/login?url=`

For example, I would change the link for the above clip from

`https://nwciowa.kanopy.com/playlist/5870098`

to

`http://ezproxy.nwciowa.edu/login?url=https://nwciowa.kanopy.com/playlist/5870098`
